ABOUT THE COLLEGE

Sri Mahaveera College was founded by Academy of General Education, Manipal and Sri Mahaveera College Trust **1965**, with the primary objective of providing University education in a rural atmosphere for deserving students, especially those belonging to the low Community. The college aims at training young men and women of quality to be leaders in all walks of life, whom we hope will play a vital role in bringing about the desired changes for the betterment of the people of our country.

The College began functioning at Samaja Mandira from **9th July 1965**. Subsequently the then Government of Mysore sanctioned **16.6** acres of dry waste land at the outskirts of the town, in Kodangallu, at the request of Sri. Mahaveera College Trust. Now, the college stands magnificently in the same plot. Afterwards, the Trust purchased **3-6** acres of land adjacent to the land sanctioned by the government. The foundation for the first building was laid on **22nd February 1965** by Sri. Hirachand Lalchand of Walchand Group of Companies. The first building was inaugurated on **26th June 1966** by the then Honourable Chief minister of Mysore Sri S Nijalingappa. The main block was inaugurated on **8th November 1968** and on the same day the college playground was inaugurated.

The Re-Structuring of curriculum both for PUC and UG courses has drawn great appreciation from the stakeholders, namely the Alumni, Parents, Industries and the general public. The system of periodical teacher-evaluation done by the students has also been welcomed by one and all. The students having access to the photocopy of their evaluated answer-script of Internal examinations vouchsafe for the academic transparency in Mahaveera. Parents-Teachers meetings organized in Mahaveera, ensure periodical monitoring of the progress of their children / wards.
